The Amora Hotels & Resorts Phuket International Dimbulla

Rugby 11's is oh so excited to be back. With 31 teams from around the region flying into Phuket for the tournament, it will bring some much-needed relief for a lot of business owners, as well as providing some spectacular sporting action on the pitch. This year we have a new brand sponsor and we welcome the

AMORA HOTELS & RESORTS to the rugby family and look forward

to a long and fruitful relationship, promoting 11s Rugby brand around the Asia region.

With the success of the Rugby 11s concept at last years event, Phuket continues to be at the forefront of this innovative brand championed by Dilip Kumar and Dimbulla Estates. With 11s tournaments in Da Nang in August, Colombo, Sri Lanka in October & Chiang Mai in November, 11s rugby is here to stay. The introduction of an 11s league in Chaing Mai in 2023 was the development story of the year in Thailand and reenergized the rugby community in the North.

This year there is a change of venue due to the Thanyapura Sports Clubs pitch maintenance issues. We are going back to basics with the Alan Cook Ground (ACG) being a grass pitch. With the Athena Siam vets tournament kicking things off on Friday 7th June, it's a chance to see rugby of a bygone era, being played out in a spirit of camaraderie and fun. Even though their bodies might complain about the rigours of getting out of bed, never mind running around on a rugby pitch, they can still talk a good game, especially when those tonsils are liberally lubricated.

On Saturday we have the group stages of both the more serious Men's & Women's tournaments with Sunday, providing all the knockout action. Jean Luc is referee's manager, and his team of officials will be keeping order on the pitch and creating mayhem, off it!

The Phuket 11's continues their long association with the Asia Center Foundation who celebrate their 20th anniversary this year. We will be raising funds over the weekend for the ACF scholarship program providing underprivileged children on the island the chance of a better future. You can find out more by contacting Roelien Muller at roemuthai@gmail.com or check out the website at <https://asiacenterfoundation.org/>

Its great to see long time supporters of the Phuket Rugby 11's out again in force, with the Aussie Bar Phuket & Athena Siam continuing to support rugby on the island and the Phuket News, as ever, giving first class coverage before, during and after the event. The Amora Hotels & Resorts are newcomers to the event and we welcome their support. Hell Energy Drinks, who are due to launch in Thailand soon, have also joined forces with the 11s Rugby brand and we welcome them aboard.

All the weekends action will be live streamed by Hans and his production crew. Entry to the ACG is free so come on down and support your local team, the Phuket Vagabonds, as they seek to continue their impressive start to the season.

**WELCOME TO ALL TEAMS & SUPPORTERS FROM CHAOWAPHAT
SIRIPHATRAWAN, CEO AMORA HOTELS & RESORTS**

We are thrilled to start the partnership with Rugby 11's. Already having hotels in Phuket and Chiang Mai itself and supporting the community is part of our values and we believe this is the right partnership for Amora. The Rugby 11's and Amora Hotels & Resorts are both brands that are defined by passion, performance and excellence, so this partnership is the perfect match.

MR. DILIP KUMAR CEO 11s RUGBY

It has been an exciting year for 11s Rugby. Since we trialed the format at last years Phuket 11s tournament it has been humbling to see how teams and supporters, have bought into this exciting format. The culmination of an 11s league in Chiang Mai, in Northern Thailand last year shows that there is a place to develop more league structures throughout the region. We are particularly proud to bring in new destinations Colombo, Sri Lanka, & Da Nang, Vietnam, into the 11s fold in 2024. Sri Lanka is a proud rugby playing nation, and have already embraced the 11s concept. It will be a unique rugby experience for any teams that participate there. Its exciting to be joining forces with a new team, Da Nang Guerrillas, at a new destination, Da Nang, and expanding 11s rugby into Vietnam.

I would like to take this opportunity to thank you all, and wish you an enjoyable weekend and safe travels home.

ASIA CENTER FOUNDATION

A warm welcome once again from ACF to every rugby team who made it to an even warmer Phuket for this year's Phuket Elevens!

Rugby for good

It is wonderful to see renewed interest from teams from around the world for an event that has become a fixed date on our annual social calendars. This event also plays a huge role in the 20-year existence of our Scholarship Program. In reaction to the disaster of the 2004 tsunami the ACF Scholarship program was kicked off, with most of the financial support for the program coming from teams who participated in the 2004 Phuket International Rugby Tens.

Since then, the program expanded over the years to also provide scholarship assistance to children from severely disadvantaged families until this year, with more than 493 children sponsored in total so far.

Impact so far

Ten years ago, the program reached one of its main goals which was a **significant reduction in the dropout rate at age 15**. This was the direct result of the emotional support and guidance provided to the children by our Scholarship team members, but also due to the ongoing financial support that was available to the students.

During the last ten years we have witnessed a definitive change in the focus of students on the program and another of our goals has been reached – **ensuring that children on scholarship make it to university** to complete their school careers successfully.

Up to now five students have already successfully graduated from university with 16 more students attending vocational college and university this year. The number is growing each year and we are excited to see what come next for these young adults who are entering areas of employment.

Long term partners

Sponsors may have changed over the years, but the consistent support provided by individuals and rugby teams ensured the stability that was crucial for the success of our scholarship students. As we celebrate the 20th anniversary of a program that was born from disaster, but brings hope to many, mere words can never truly and effectively express our thanks, and that of each of the students who have been receiving long term support for their education.

The following teams have been exceptional in their commitment as sponsors throughout the existence of our program and need special mentioning: **The Al Ain Amblers, the Asian Japanese Dragons, the Old Bangkok Bangers, the Moorabbin Rams , the Phuket Vagabonds Rugby Club, and both the Singapore Bucks and the Singapore Wanderers** all have been sponsoring children's education through ACF for more than 16 years, and are still involved.

Gentlemen, we are indebted to all of you. What more can we say than – **THANK YOU!**

To event organizer and longtime ACF friend, Pat Cotter, and initial chairman of the Phuket Vagabonds, we need to say another huge thank you. We are beyond thankful for the opportunity to have been connected with the Phuket Elevens for the past 20 years and for the opportunities this event created so far for our children.

The Phuket Elevens event and the support from the local and International rugby community has been invaluable to our efforts to help children stay in school, realize their dreams and impact their futures.

Together we all made it happen!

A last word to the new teams: Consider making your time on Phuket memorable for more than beach and beer. Follow in the footsteps of those legends who came before you and continue their legacy at the Phuket Elevens by signing up to sponsor a child too today.

Enjoy the tournament!

**This year ACF is celebrating
the 20th anniversary of
sponsoring children's education on Phuket!**

Asia Center Foundation's Scholarship Program started in response to the tsunami of 2004. Since then the program has grown and developed and 493 disadvantaged children already have been sponsored with annual sponsorships.

Five students already graduated from university and 16 are attending tertiary institutions to further their education now. All this was made possible by individual sponsors or rugby teams who are participating in the annual Phuket International Elevens Rugby Tournament.

ACF continues to sponsor 120 children in primary, high school, vocational college, and University this year.

Managing a scholarship program for 20 years cannot be done by a small grassroots organization alone, therefore we acknowledge the help and support we received over the years and thank all our sponsors who kept up their sponsorship year after year, from the bottom of our hearts!

BROB PARAMETRIC PEREGRINE

BROB Parametric Peregrines also known as Bunga Raya Old Boys is a rugby team that had been established in 2018. This team hailed from former national players whom are now aged between 38 and 43 years. Although they are not youthful anymore, this team is still very active in participating in various rugby tournaments and holding friendly matches.

BROB has recorded many successes in a short time since its establishment. They often triumphed various rugby tournaments both local and international level. This shows that even though they are had aged, their ability and experience in rugby is still prevailing.

Moreover, when it comes to contributing to society, BROB also held a rugby clinic for primary school kids. Hence, this displays that this team does not only focus on success in rugby, but also contributes to developing rugby young talents. This is an excellent effort and should be emulated amongst all rugby teams worldwide.

Alas, BROB is a very successful and experienced rugby team, and also contributes in developing rugby talents at various level. BROB is confident that they will continually provide bridges and eloquent contributions in the world of rugby.

The HK Bulls return to the Phuket 11s Coffin Dodgers once again. The sense of excitement is unmeasurable throughout the squad!! This year marks the 31st anniversary of the founding of the HK Bulls, and the Phuket Tour is a lock-in on our very busy calendars. This year, we have seasoned tour veterans along with

some young virgins of varying sizes, all marshalled by Dr Young, who has attended every Phuket 10/11s Tour for the HK Bulls. Dr. Young also likes to bring his dad on tour as well so keep an eye out for the father and son combo. Bulls are known for playing an up-the-jumper style of old-school rugby, so expect the same here in Phuket. GROUP A

ASIAN JAPANESE DRAGONS

We have gathered Japanese players from all over Asia as a touring side since 2002. Went to London first as our inaugural tour in the year, then played for several 10s tournaments in SE Asia.

The best experience so far was the curtain raiser game of Super Rugby at The Singapore National Stadium against the Singapore National Team Old Boys. We may be getting older now, so we are definitely thanking the Phuket 11s organisers for arranging a category to fit those Over 45s.

GRAFTON BIG RIVER BULLROUTS

The Grafton Big River Bullrouts were established in 1998. Hailing from the Northern Rivers of New South Wales, they have competed on the World stage with tournaments in South Africa, New Zealand, Wales, Argentina, Japan, and Australia.

In the promotion of Rugby across all levels, the 'Routs' are an integral part of the Redmen Rugby Union Club, supporting the development of Junior Rugby and raising funds for Men's mental health and Relay For Life Cancer charities.

MOORABBIN RAMS

The RAMS return in 2024

The Moorabbin Rams once again return for the Phuket 10s, or is it the 11s? We get confused in our old age, for our aptly titled Legends Tour.

The Moorabbin Rams have participated in the Phuket 10's for many years now and have tasted the joy of victory on a few occasions both on the field and, more importantly, at the Tour Virgins Beauty Pageant.

Having played in the Opens, Over 35s and now the Over 45s we find we have reached a stage where we have, not only an excess of tour t-shirts but more water carriers than players, allowing us the luxury of an individual hydration assistant for each player.

As we look to the future, the possibility of an Over 55s competition, and liver transplant, we're proud to continue our participation in the Phuket 10s/11s and support the good work of the Asia Centre Foundation

HKFC OLD CONTEMPTIBLES

HKFC Contemptibles ("Contempts") are the official vets team of Hong Kong Football Club and are pumped to be returning to the Phuket 11s after their virgin tournament in 2023. Despite some key absentees this year, such as Sam "Two Brownies" Cooper and Duncan "Oh, My Hip" Grewcock, the Contempts are determined to put in a good performance, on and off the pitch. We've made sure our flight back to Honkers doesn't coincide with the final this year, in the unlikely event that we make it through again!

WHITESMITHS ONE FOOT IN THE GRAVE O45s

GROUP B

PALLY PIGS

Pally Pigs is the golden oldies team of Palmyra, one of the most prestigious clubs in WA, founded in Perth in 1934.

Palmyra Rugby Union Club is not only 2023 premier grade champions but also a community oriented powerhouse focused on training every junior age groups from u6 till u18, colts, womens, 7-a-side and at senior level with all 4 grades ... with the pinnacle being to be part of the Pally Pigs of course ! Our Brotherhood defines itself as « a drinking club with a rugby problem ». More than 165 players from 35 to 77yo have sweated in our pink jerseys since foundation in 2014 and we have currently 50+ licensed players. We gather every Thirstday for a social game of Touch Rugby at Tompkins Park, our home ground where everybody is welcome, kids mum and even soccer players. We pride ourselves for writing history and keeping traditions like our secret move, the infamous « Flying Pig », our pink caps, our magic potions the port & rort and our annual overseas tour, this year in Phuket. We are delighted to bring fun with us and share memories with our fellow teams of the One foot in da grave comp.

Taipei Silverbacks

You are now about to witness the strength of Taipei street knowledge. Straight outta Bai-Lin, crazy mother named Andrew

From the gang called Taipei Baboons When I'm called off, I got a sawed off Squeeze the trigger, and bodies are hauled off To

clarify, I once tackled Serge Betson. Seriously, what I can do to a torso should be considered a war crime. Your rib cage needs to seek asylum in a non-extradition country for a period of forever. Damn, that shit was dope. Wish we'd brought more than five players.

KL Tigers

KL Tigers Veterans started in 2017 as a bunch of willing former seniors players and mostly good old mates who met in the pub for training and did one or two tours on a turn up and play basis. The pandemic got us all focused on fitness and needing something to do whilst locked up for months we started to run online zoom bootcamps 3 times a week and

when we were finally released we found a training ground and started to train as a team, we went from a willing 15+ in 2019 to 35+ by the end of 2021 and now number 60 members in the section. We train 3 times a week and despite an average age of 50+ we play some enjoyable rugby and we love to tour!

San Miguel Wanderers Wrinklies

The San Miguel Mighty Wrinklies are touring Phuket yet again! After winning hearts and minds last year with our Lucha Libre theme, we are gearing up for what has been labelled "The Worst Tour Ever" by ex-Prez Pat "Mugabe" Knight - and he can't even be bothered turning up! On the field it will be Club Legend and Zimbabwean Matt Rhino Robert's

last Hunt so at least we know the local wildlife are safe, and off the field it's back to the drawing board dressed in school uniform where hopefully there won't be too many schoolboy errors on Walking Street. Headteacher Frank The Tank Bland (70+ and still playing rugby) will need to run a strict Class of '24.

A bit older and wiser, we've opted to enter the Over 45s Comp and bring our well-known brand of shock and awe champagne rugby, and our handful of young 35s tourists will join the Chiang Mai Cobras in what is shaping up to be a fantastic union - pun intended.

Last but not least, we are really looking forward to catching up with the ACF's Scholarship Program which is celebrating its 20th Anniversary this year, and continue putting our sponsored students through school. Well done ACF.

See you on the pitch!

Coach Dave continues to model exceptional game situations and technique drills that the players are following well which he believes will place them in good stead to bring home yet more silverware for his team of Vagabonds. DIMBULLA ESTATE

*We thrive in making fine wines that enrich
the soul*

Dimbulla Estate is named after Dimbulla region in the western highlands of Sri Lanka, where the famous tea estates are located. Dimbulla Estate Vineyard and Olive Grove are located in Pokolbin, in the heart of the (lower) Hunter Valley, in New South Wales

The land where Dimbulla Estate stands was in the heart of the early coal mining area but has long since returned to farming, agriculture and, especially, viticulture and olive groves.

At the time of the First World War, timber from the district was dragged to a small gully and burnt in furnaces to produce an ingredient essential for gunpowder.

This section of the estate has been named Charcoal Gully Block and here we grow our Shiraz grapes with their distinctive characteristics of earthy tannins and dusky oak. The early European settlers brought the knowledge, experience and tradition of wine making to the new world. At Dimbulla Estate we are committed to pursuing this tradition. We are a young vineyard and as our vines mature, the quality of our wines are evolving season by season.

Award

Dimbulla Estate wines have won many awards at Wine Shows throughout NSW over several years. In 2016, the 2014 Tempranillo Shiraz release was awarded the *Doug Seabrook Memorial Trophy* as the overall red wine winner at the Hunter Valley Wine Show.

The wine also won the trophy for the Best Other Red division at the same show

Group B

SOUTH KLANG DRAGONS RC - MALAYSIA

SKDRC or known as South Klang Dragon Rugby Club is rugby club located in Port Klang, Malaysia. Formed in 2011, the club originally fields alumni from two high schools in Port Klang and formerly known as Exstadat RC(Ex-Staj & Dato). It later changed to South Klang Dragon RC.

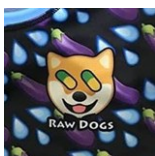

Our club vision to develop and provide the highest quality sporting experience for our players, families and sponsors both on the field and in our community. In 2023, SKDRC has been registered under Ministry of Youth and Sports (Malaysia).

PRONTO RUGBY - UK

Pronto Rugby is a 'Nomad' national Rugby Team from the United Kingdom, We raise money and awareness for two chosen charities throughout the year. One of these will be a mental health related charity and the other an Autism charity. Both of these causes have very close connections to many of our founder members therefore adding a personal touch to what we do. We give back to the community also. Whether its donating necessary stationary or equipment to a local SEN school or giving support to others in need, we always do what we can. Whilst here in Phuket we will be donating much needed items and spending some time with the children at the Special Needs school here on the Island, Phuket Panyanukul School.

RAW DOGS - USA

The Raw Dogs return to Phuket 11s (and add a 15s match in Chiang Mai next weekend) for another raucous tour. The Dogs seek good rugby, cool drink, barky company, plentiful fire hydrants, and plenty of red rocketry. Having pack origins deep in the side sois of Bangkok's Sukhumvit neighborhoods, many dogs have donned Southerners colors, and/or competed for various (in)famous touring sides.

In our brief and illustrious history, the Raw Dogs have: earned hardware and hard knocks on the pitch, lived in a society repeatedly, adopted various forms of representative and authoritarian governance, debated the merits of Baha Men vs Stan Rogers for tour anthem, enjoyed four Asian countries, briefly taken sovereign control over no less than three uninhabited islands, and had more memorable trips to Demonica and Bangla Rd than the pack cares to discuss on-record. The Dogs original core is North American Southerners, with a spicy local Thai/expat flavor completing the kibble bowl. We strive to be Good Boies! Who let the Dogs out!?!

NINGBO RHINOS - CHINA

Established in 2019 as an expat RUGBY team in Ningbo, China. Our club prides itself on representing and building the love for Rugby while we're all working abroad. The Ningbo Rhino's players are from around the world: We've got players from South Africa, Wales, New Zealand, Spain, Australia and some mean Chinese players too.

Phuket 11's will be our first international tournament and we are beyond excited to play against some local Thai teams and also against everyone flying in from different places in the world. We can't wait to fuel up with some Pad Thai for the big hits. Recover between matches with some fresh coconut water and down a few Chang Beers after the highlight reel worthy tries.

Group C

BANGKOK SOUTHERNERS - THAILAND

The Southerners Rugby team enters the Phuket 11s energised off a dominant cup victory at the Pattaya 10s, where the club entered two teams and produced an impressive display of hard work, flair and grit throughout the competition.

As no strangers to Phuket, having played there consistently throughout the years, the Southerners travel south for yet another iteration, looking to exhibit our ruthless rugby before teams in Thailand and the region. With a solid squad and a hunger for more wins, we look forward to playing at the revamped ACG on the year of our 30th anniversary to make this our best tournament finish to date!

GROOTE EYLANDTE MUDCHOOKS - AUSTRALIA

Hailing from the remote island in the Northern Territory of Australia and surviving Cyclone Megan early in March 2024 which blew half the island away with half the team, these brave survivors will make their way to test the waters in Phuket.

After being undefeated all year the Mudchooks are ready for the Phuket 11s again. Armed with 11 wingers the Mudchooks will be in great condition to take the silverware home. The Mudchooks have been touring since 1989 starting in Gove NT then the hottest 7s in Darwin NT until taking a leap of faith to the Phuket Rugby 10s in 2012 and they haven't looked back.

Mudchooks 35 year anniversary tour this year is a great milestone and a sure eye opener to get amongst it and support a great cause. A chance to play some good rugby coming from 7s to 11s, meet some good characters along the way and make some new life long friends.....on and off the field which is what we're all about.

HYDE STREET GULLS - NEW ZEALAND

The Hyde Street Gulls, or simple The Gulls, are a Barbarians style rugby club mainly consisting of players originally from Aotearoa but often living overseas. The club puts a heavy focus on having a few brews, having a laugh and playing free running footy. Having previously competed in 15's competitions in New Zealand as well as the Bangkok 10's and Saigon 10's, The Gulls are excited to add Phuket 11's to the list. "Bibamus, moriendum est"

Group C CHIANG MAI COBRAS THAILAND

The Chiang Mai Cobras are one of Thailand's newest rugby clubs founded in April of 2021 and are just off the back of a successful tour winning the plate at both the Hanoi 10s and Pattaya 10s. The international flair and pageantry of the World Renown Phuket 11s has enticed many of the lads to strap on the boots, jump in the flight and head a bit father south for our third trip to Phuket and fourth tournament of the 2024.

With a touring squad mix of young and energetic Thai and Farang lads coupled with older, and more experienced campaigners & the odd degenerate, it is an interesting and competitive blend. We play a mix of simple but expansive rugby pairing the old boys' experiences with the pace of the youngsters. We hope you will find it exciting. With teams in both the over 35s and the open, we are eagerly awaiting our return to the beautiful beaches of Phuket and a grass pitch this year.

The tour promises memorable experiences both on and off the pitch. The lads are eager to continue our aggressive touring program and fly the Cobra flag throughout the Kingdom of Thailand and South East Asia. This is a further step to help cement the foundations of our young club. We look forward to playing and meeting the teams from Thailand and all the other countries that are represented. Massive thanks to Pat Cotter and the Phuket Vagabonds for having us. Cheers to a successful tournament.

SAWADEE KRUB RUGGERS!!!

Welcome back to Phuket for a wonderful weekend on and off the pitch. We are really delighted to have all the returning teams and the new ones to our tournament!

Rugby 11s is flourishing through our brand's competition and teams have well adapted to this exciting format. So have a read of the Laws of the tournament to familiarise yourself with the 11s laws. Bear in mind that the World Rugby Laws of the Game still prevail on top of our 11s laws.

As the game has players, the game has referees. The person in the middle who blows his whistle telling you what's incorrect or what's allowed/disallowed. We have an integration of both local and international referees. With TRU's officials and some of the highly experienced referees in the region, we plan to provide a continuous playable time where permissible. So, concentrate on the playing and we will focus on the law management. I have appended a Referees' Expectations for all teams to look at as well.

With that said, we are humans too. Come by and say hi, and you be surprised we are a very nice bunch of lads.
Let's have a good time and enjoy the tournament and festivities in this beautiful city.

Kia harikoa me ta waimarie - Have Fun & Best of Luck

Yours in Rugby
