PHUKET INTERNATIONAL RUGBY 11'S

Oh so excited to be back. With 26 teams from around the region flying into Phuket for the tournament, it will bring some much-needed relief for a lot of business owners, as well as providing some spectacular sporting action on the pitch.

BACK AT THANYAPURA SPORTS CLUB

This year we are back to the Thanyapura Sports Club. With the vet's tournament kicking things off on Friday 5th June, it's a chance to see rugby of a bygone era, being played out in a spirit of camaraderie and fun. Even though their bodies might complain about the rigours of getting out of bed, never mind running around on a rugby pitch, they can still talk a good game, especially when those tonsils are liberally lubricated.

TOURNAMENT WEEKEND

On Saturday we have the group stages of both the more serious Men's & Women's tournaments. Jean Luc is referee's manager, and his team of officials will be keeping order on the pitch and creating mayhem, off it!

SUPPORTING OUR COMMUNITY

The Phuket 11's continues their long association with the Asia Center Foundation who celebrate their 22nd anniversary this year. We will be raising funds over the weekend for the ACF scholarship program providing underprivileged children on the island an education and the chance of a better future.

For more information contact us at info@11srugby.com or visit www.asiacenterfoundation.org/

GET BEHIND THE PHUKET 11'S

For more information on the rugby tournament check out www.11srugby.com
It's great to see long time supporters of the Phuket Rugby 11's out again in force, with the Aussie Bar Phuket, Hell Energy Drink, Baramée Resotel, Fourpoints Sheraton Patong Beach Resort, Macococo & Bangkok Phuket Siriroj Hospital continuing to support rugby on the island and the Phuket News, as ever, giving first class coverage before, during and after the event.

FOOD, DRINKS & ENTERTAINMENT

There will be F & B available with Baramée Resotel and Catering, providing quality South African fare & a bar providing beers, soft drinks & laughter.

Entry to the tournament venue is free so come on down and support your local team, the Phuket Vagabonds, as they seek to continue their impressive start to the season.

BE PART OF THE EXPERIENCE

Be part of an unforgettable weekend of rugby, community spirit, great food, and good times in beautiful Phuket!

We look forward to welcoming players, supporters, and families for a weekend to remember.

PHUKET VIAGRABONDS

**Phuket Rugby Tournament:
A Celebration of Grit and Glee!**

It's that time of year again! The Phuket Rugby Tournament, famous for being **THE** highlight on Asia's rugby calendar, is just around the corner.

PHUKET VIAGRABONDS RFC

From the wild days of 10s to the more refined 11s, this event promises to deliver a theatrical mix of fervent competition and hearty camaraderie. *Enter the Phuket Viagrabonds!

We might be the oldest crew strutting our stuff in the O-35's group, but don't let the gray hairs fool you—it's all about fun, my friends! Just because we have a few more birthdays under our belts doesn't mean we've lost our flair. In fact, we've got stamina that could give the young whippersnappers a run for their money! 🍌 But hey, let's not get too serious here. We have as many moves in our playbook as we have tales of glory—and let's be honest, misadventures too!

Our club is bursting with tales of valor and blood (hopefully not our own), belly laughs, and major flops that would make even the toughest rugby players roll with laughter. *What does it mean to be a Viagrabond? We're not just a rugby team; we're a family! With every passing year, our ranks swell with new members eager to share in the laughter, the camaraderie, and yes, the occasional "Did that really just happen?" moment. As we gather with friends and foes alike, we celebrate the good times before, during, and especially after the games.

So here's to the Phuket Viagrabonds—where "youth" might still be an aspiration, but "fun" is always a guarantee! We may be stepping onto that field in our seasoned jerseys, but inside we're still young at heart. Watch out youngsters, because in this tournament, we might just outpace you all—after all, we believe that age is but a number, and we're here to prove it with style! Let the games begin 🏉

NO STORIES
LEFT UNTOLD

We're based on the Gold Coast at Griffith Uni Colleges Rugby Club, and the Late Knights are a collection of men who still camaraderie, and adventure should always come before self-preservation... and occasionally before good judgement.

If you see one of the boys around town in Phuket, come and say hello. There's a very high chance you'll be offered a beer, a tall tale, or both.

We've proudly represented the club at Masters tournaments far and wide, most recently taking 35s and 45s teams to the Bali 10s in 2022 and 2024. There were many highlights from those tours — a few of them even happened on the rugby field.

Our game plan is simple: play hard, laugh harder, and make sure nobody is left without a drink in their hand or a story to tell.

We're looking forward to sharing some rugby, some laughs, and probably some poor decisions with you all.

Cheers,

THE DUBAI BARBARIANS

Despite the impediment of the Trump-Ayatollah blockade, the Dubai Barbarians return to Phuket in 2026, bravely navigating the Straits of Hormuz. And disobeying orders from the missuses to avoid the Non-Straits of Bangla Road. But who cares? She's divorcing us and taking the kids to Paris.

VETERANS. WARRIORS. LEGENDS.

Formed from the very worst Dubai has to offer, we are an eclectic mix of veterans with multiple tours of duty and young enlistees who have never felt so powerful. We fear no high bombs. Our intercontinental alliance of global tax-dodgers, plus token Emirati, leaves riches in our wake. Or with Suzy.

NO-ONE CAN TOUCH US

Unless we're unlucky enough for the rear-guard to haul us back like a Polish concentration-camp detainee.

THREE TIMES THE DAWGS

With three times the Dawgs this year, if you can't find them on the pitch, you'll see them in the commentary box or passed-out under the stands, dreaming of his palace. Likely one in each location. But enough droning on, we're just excited to be back in action after the cancellation of our domestic rugby season due to irreconcilable differences. Plus, Thailand's the only other country with no qualms about embracing our Russian exile. See you on the Field of Certain Victory!

NO FEAR.

NO BORDERS.

WITH ADDZZAA

Just Mahi Rugby are back for the Phuket 10's now the 11s, older a little slower, and carrying a few more injuries than we'd like to admit, but still convinced we've got one more run in us.

Back in 2017, named The AC Ball Smackers and 10 years younger, we somehow took out the title in the coffin dodgers division with complete disregard for our hamstrings and livers.

THIS YEAR

WE'RE LOOKING FORWARD

is about more than just the rugby. We're a group of brothers from Porirua, NZ returning as Just Mahi Rugby to honour our brother **Adam Vardey**, who sadly passed away in 2025. Adam was a big part of our 2017 victory scoring most of our tries and jumping on to fill in for the other teams when needed as well.

to our return with few scores to settle off the field..... We'll be playing in Adams memory—having a crack, sharing a laugh, and doing our best to do him proud. He'd expect nothing less.... He yelled at us back then and he'll still be up there yelling at us **"Don't tell me show me"**

See you soon Phuket!

WESTS OLD BOARS

“ In the mists of recent memory, when men who should have known better refused to accept the cruel passage of time, a band of warriors rose from the sun-baked, red-earthed glory of Western Australia and declared unto the rugby world: “We are not done. Our knees disagree, but we are not done.” ”

Thus, was born West Old Boars Rugby, forged not in the fires of elite academies or professional coaching programmes, but in something far more powerful — a Western Australian car park, an argument about who still had their boots, and a group that that got completely out of hand.

From that crucible of heat, stubbornness, and post-match beverages consumed at a pace that suggested genuine athletic training, Wests Old Boars emerged — ready to take on the world, or at least the bars of Bangla Road!

We have gathered Japanese players from all over Asia as a touring side since 2002. The highlight to date remains playing the curtain raiser for Super Rugby at the Singapore National Stadium against the Singapore National Team Old Boys.

While we may be getting older—and are certainly grateful to the Phuket 11s organisers for creating a category for the Over 45s—

HKFC VINTAGE GENTS

The HKFC Vintage Gents arrived at the Phuket 11s in 2025 with the confidence of men who thought they'd seen it all but won almost nothing. As usual, they were short of players, but absolutely overflowing with waterboys, moral support, and unsolicited sideline advice.

Their preparation was textbook Vintage Gents: minimal stretching, maximum complaining, and a recovery protocol involving pitch-side massages and bad hydration choices.

Somehow, this chaos turned into magic. They battled through the Over-45s division and won the cup— proving that experience, guile, and a well-timed leg rub can still beat a warmup, gameplan and a good night's sleep.

And now, in Hong Kong Football Club's 140th anniversary year, the "VGs" proudly return to defend their title. Whatever happens; we look forward to seeing old friends and making some new ones, all over a cold Chang!

MOORABBIN RAMS

The RAMS Return in 2026! The Moorabbin Rams once again wobble their way back to the Phuket 10s... or 11s... or whatever number they're calling it now. At our age, keeping track of the format is harder than recovering from Day One.

The Rams have been attending this tournament since some airlines still allowed smoking on flights. Over the years, we've enjoyed success on the field, occasional success at the bar, and unforgettable glory in the sacred Tour Virgins Beauty Pageant — a competition we treat with far more professionalism than our defensive structures. But 2026 is different. For the first time in years, we are experiencing an absolute GLUT of Tour Virgins. Fresh meat everywhere. Innocent faces. Functioning knees. Men who still think "just a couple of quiet beers" is a realistic plan. Frankly, it's beautiful to see. Some of these poor souls still believe this is a rugby trip. They will learn.

Having progressed gracefully from Opens... to Over 35s... to Over 45s... we now proudly represent the "medically supervised" division of world rugby.

Our squad preparation includes stretching, Voltaren, compression socks, and detailed discussions about cholesterol medication.

ABOUT THE TEAM

POWERED BY PURPOSE. DRIVEN BY PRIDE.

UUDS Tuskers Women's Rugby is the women's rugby team of UUDS AERO DWC, Dubai, UAE, proudly established under the visionary leadership of Mr. Manoj Bogoda, Chief Executive Officer. Following the remarkable achievement of the UUDS Tuskers Men's team as International Champions at the Phuket 11s 2025, UUDS AERO took the next bold step and launched the Women's Rugby Team in April 2026.

The squad is assembled from elite former Fijian national players — Fijiana 15s internationals, Fijiana 7s representatives, Rugby World Cup 2025 participants, Fiji Rugby High Performance Unit graduates and national youth programme representatives. United by a shared ambition and the support of UUDS AERO, these athletes combine high-performance rugby with professional careers in the aviation industry.

The team made its competitive debut at the Social Rugby Tournament organised by Rugby Club Management UAE at The Sevens Stadium, Dubai — the UAE's premier rugby venue. The Phuket International Rugby 11s represents the team's first international competitive appearance of the 2026 season.

Coached by Matila Waqanidrola — former Fiji Pearls National Netball Captain (World Cup 2011, Singapore) and Fiji National Women's Rugby player—the UUDS Tuskers bring Pacific rugby's world-renowned flair, fierce determination and an unwavering commitment to excellence to every match they play.

QUEENS ROYAL HUSSARS

The Queen's Royal Hussars (QRH) Rugby Team is one of the most successful and active sports units in the British Army. Known for their physical, high-tempo style of play, they are a dominant force in military rugby, consistently competing at the highest levels of the service.

ELITE COMPETITION

The team competes in the Army Premiership League, the top tier of British Army rugby. They are the current champions of the Army Knockout Cup (specifically winning the "Spirit of Rugby" trophy in 2025 and reaching the Premiership Shield final in 2026), proving their status as one of the best regimental sides in the country.

INTERNATIONAL PRESENCE

Beyond domestic military leagues, the QRH is a regular participant in prestigious international tournaments. They have represented the regiment at the Dubai Sevens and the Flanders Tens in Belgium, showcasing their skill against professional and semi-professional teams from across the globe.

PROVEN REPUTATION

This international experience has cemented their reputation as a powerhouse of the "heavy metal" cavalry.

LLANTRISANT BLACK KNIGHTS

Llantrisant Rugby Football Club, affectionately known as the "Black Army," stands as one of the most historic and community-driven clubs in Welsh rugby. Based at Macs Cefn Mabley in the historic town of Llantrisant—a town renowned for its medieval heritage and famed longbowmen—the club embodies a unique blend of tradition, resilience, and local pride.

ONE CLUB.
ONE ARMY.
ONE COMMUNITY.

NICKNAMED "BLACK ARMY"

This nickname is deeply rooted in the town's rich history. Llantrisant's longbowmen played a significant role in supporting Edward the Black Prince at the Battle of Crécy in 1346. Their bravery and reputation for strength laid the foundations for a sporting identity that would endure centuries later on the rugby field.

A PROUD HISTORY

Established in 1889, Llantrisant RFC is one of the oldest rugby clubs in Wales, marking the beginning of an organised rugby tradition in the town. From these early days, the club quickly became a focal point for local sport and community life, bringing together players and supporters from across generations.

DEVELOPING EXCELLENCE

The Black Army has developed players who have gone on to achieve success at the highest levels of the game. Among the club's most notable products are Bradley Davies and Scott Andrews, both of whom represented Wales internationally and have since progressed into coaching roles at regional level.

PHUKET VAGABONDS

Welcome to Phuket one and all.

It's been a great year for the Vagabonds on and off the pitch.

We've added the KL, RBSC and Bkk 10s to our rugby calendar over the last year and in the process near perfected our off-field performances, rugby was the winner on the pitch but definite improvement has been seen on it with a win in the bowl competition at the recent Pattaya 10s. We're a social bunch who train just enough to score tries, avoid major injuries and invent tactical formations never to be used. Expect determined scrums, accidental champagne rugby moments, questionable refereeing arguments, and an undefeated record in team spirit. If you hear laughter louder than the whistle, that's likely us — come join the camaraderie and the chaos and raise your pints (in your left hand). This year we are competing in the Open, O35s and the relaunch of our ladies' team!

PHUKET INTERNATIONAL
RUGBY 11's 2026

The Groote Eylandt Mudchooks are a tight-knit crew of rugby diehards who've been making the annual pilgrimage to Phuket since 2012 to compete in the Rugby 11s. What started as a footy trip has become a proud tradition—one part sport, one part reunion, and a whole lot of good times.

Each year, we dust off the boots and remind ourselves (and each other) what might've been if life hadn't steered us toward the usual suspects—cold beers, marriage, kids, and the never-ending list of "boys toys." While we might not be chasing professional contracts anymore, we still bring plenty of heart, a bit of skill, and a strong commitment to keeping the spirit of the game alive.

More than anything, the Mudchooks are about mateship. It's about getting the boys together each year, sharing a few laughs, enjoying a few drinks, and connecting with like-minded teams from all over. We're proud to be part of an event that not only celebrates rugby but also supports a great cause.

At the end of the day, we're just a great bunch of mates who love our footy, our trips, and the stories that come with them—and we wouldn't have it any other way.

LLANTRISANT BLACK ARMY

What truly defines Llantrisant RFC is its deep-rooted connection to the local community. The club has always built on strong family connections, with multiple generations proudly representing the Black Army both on and off the field. Fathers, sons, brothers, cousins, and lifelong friends have all contributed to the story. Identity as the Black Army remains as strong as ever. With a proud past, passionate community, and a bright future driven by youth development, the club continues to embody everything that is special about grassroots rugby in Wales.

In the early 1970s, the club took a major step forward with the construction of its current clubhouse. This development transformed Llantrisant RFC into more than just a rugby team—it became a central hub for social gatherings, celebrations and local events.

SAWADEE KRUB RUGGERS!!!

WELCOME BACK TO PHUKET

FOR A WONDERFUL WEEKEND ON AND OFF THE PITCH.

We are really **delighted** to have all the **returning teams** and the **new ones** to our tournament!

Rugby 11s have now flourish through our brand's competition and teams have well adapted to this exciting format.

So have a read of the **Laws of the tournament** to familiarise yourself with the **11s laws**. Bear in mind that the World Rugby Laws of the Game still prevail on top of our **11s laws**.

As the game has players, the game has referees. The person in the middle who blows his whistle telling you what's incorrect or what's allowed/disallowed.

We have an integration of both **experienced and development** referees.

With some of the highly experienced referees in the region, we plan to provide a **continuous playable time** where permissible. So, concentrate on the playing and we will focus on the **law management**.

I have appended a **Referees' Expectations** for all teams to look at as well.

With that said, we are humans too. Come by and say hi, and you be surprised **we are a very nice bunch of lads**.

Let's have a good time and **enjoy the tournament and festivities** in this beautiful city.

“

Kia harikoa me ta waimarie

Have Fun & Best of Luck

Yours in Rugby
